BRANDING YOUR IDEAS

OUR PHILOSOPHY

IS SIMPLE, BUT DIFFICULT TO COPY.

Products are made of pure, soft textiles, produced by **WATERSAVE** technology, recycled materials and reduction of emissions.

WE CARE FOR OUR NATURE HOME.

Our basics keep a calm colour scale. They are easy to match, coordinate, change and use as accents.

PACKAGING

KEEPSAKE BOX

If you are looking for more luxury packaging outlook, you should choose this nice and elegant Christmas design box. We have it on stock. It is big enough to contain either Blanket, Bathrobe or Set of towels. For custom made design, please send us request.

PAPER BANDEROL

Go Green! Choose paper banderol instead of just plastic bag for blankets. The product is rolled and its look is even more interesting. You can use our designs or create your own.

PRINTED RIBBON

We create custom printed ribbon as well. Create your own ribbon for any occasion, printed in full colour on one side. Show your branding onto satin ribbon for professional and elegant results. Our elegant custom ribbon printed in full colour is a touch of perfection.

LEATHER BELT WITH LASER ENGRAVED LOGO

Leather belt with laser engraved logo! This is unique and stylish way to pack any blanket. It is so good looking! Each belt has a bottom which makes closing and opening it so easy. The band is available in light brown colour.

LEATHER LASER ENGRAVED LOGO LABEL

suitable for towels, where can be used also for hanger to hook your towel; suitable for blankets as application on front side of the product or applied to the edge as decoration.

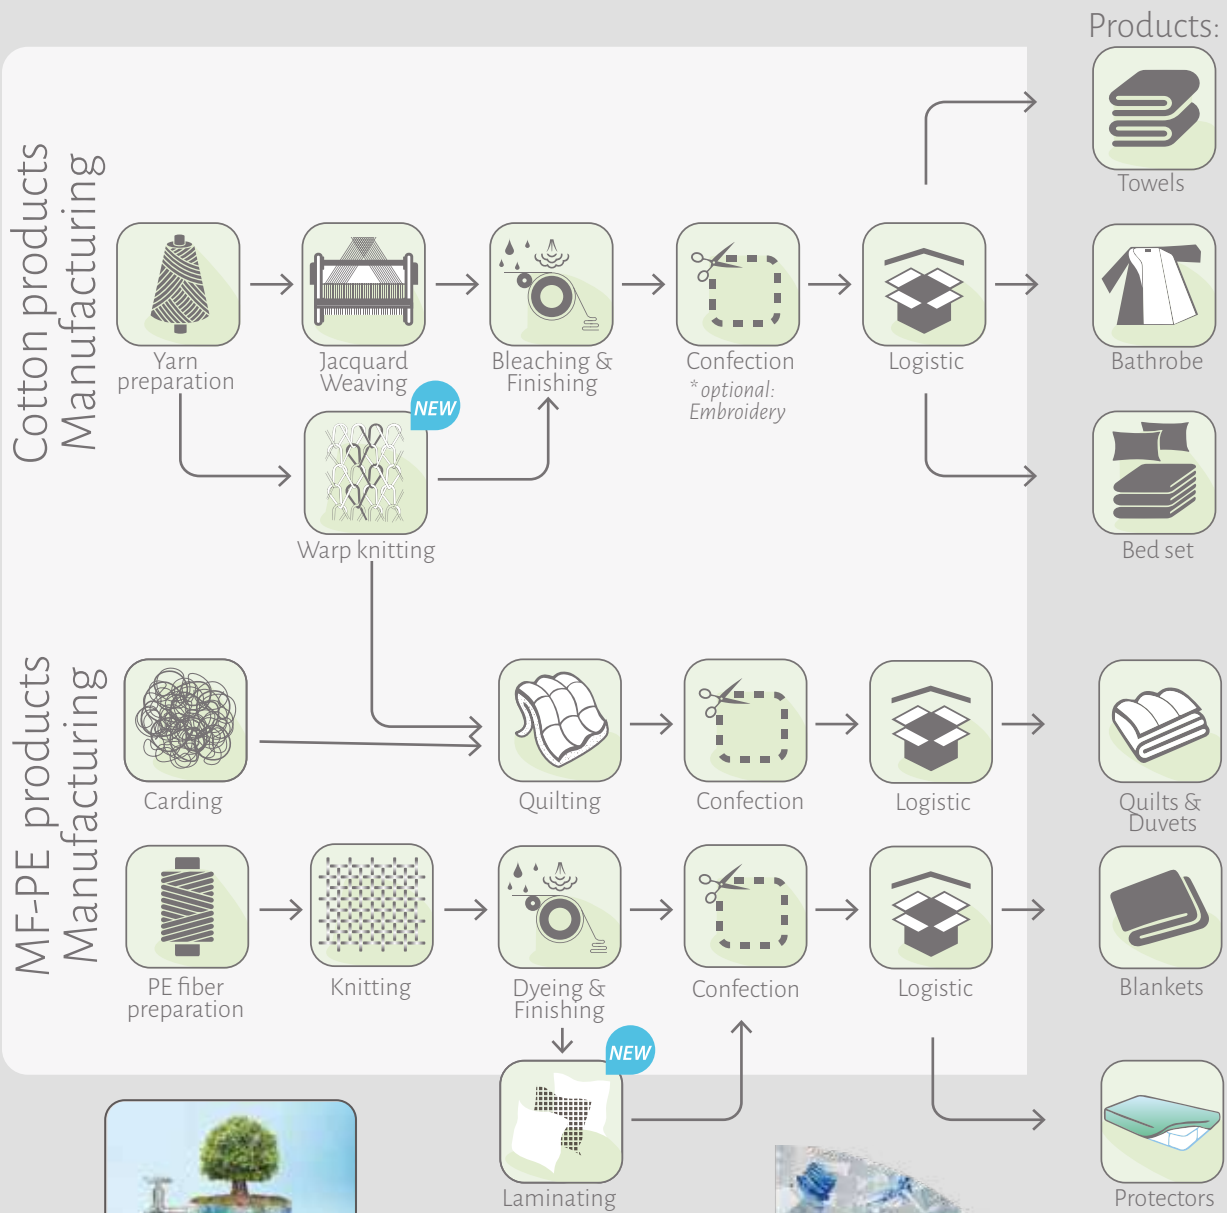

PRINTED CARD

Packaging option with personalized card to create a unique personalized message.

Say thanks, write your company mission statement or feature a bilingual signed message from the president of the company. Write a holiday message showing how much you appreciate your employees and customers.

OUR GREEN VERTICAL PRODUCTION LINES

FROM PET TO FLEECE

Mechanical recycling of PET bottles is the most common way to produce recycled polyester today. To obtain a polymer of equal value as the raw waste material, the contamination of waste has to be very low. It takes about 50 PET bottles to make a fleece blanket
