

# EXPERIENCE THE NEW WORLD

An aerial photograph of London, England, featuring the River Thames and the Tower Bridge. The bridge is overlaid with a LEGO-style construction, where the towers are built from grey and black bricks and topped with orange flames. The word "DISCOVER" is written in large, white, bold, sans-serif capital letters across the center of the image, partially obscuring the bridge and the city below. The background shows a dense urban landscape with various buildings, green spaces, and a clear sky.
